Second edition

Fun for Starters Second edition is a book of lively preparation material for students taking the Cambridge Young Learners Starters test. This second edition has been updated and substantially extended to provide comprehensive practice of all areas of the syllabus. Fun activities are balanced with test-style tasks. The appealing design and motivating activities also make Fun for Starters suitable for learners not taking the test.

- Covers all the grammar, vocabulary and skills learners need for the test.
- Specifically designed to focus on those areas most likely to cause problems for young learners at this level.
- A unit-by-unit wordlist provides easy reference for vocabulary learning.
- The accompanying website includes interactive tasks and further resources for classroom use.

The Teacher's Book includes:

- Step-by-step lesson guidance, including ideas for managing large and mixed-level classes.
- Young Learners tips' and a Starters Test checklist to help teachers cover all aspects of the test.
- Extra photocopiable resource material, including a full Starters practice test and extension activities.
- An alphabetical wordlist plus grammar and topic indexes for quick reference.
